AIA Las Vegas is pleased to present the AIA+2030 Professional Series (created by AIA Seattle in collaboration with 2030 Architecture) to help design professionals create buildings that meet the ambitious energy efficiency goals of the 2030 challenge. AIA Las Vegas is providing ten 4-hour sessions that teach the strategies for reaching 50% reduction in fossil fuel greenhouse gas emissions, and give design professionals the knowledge and leverage to create next-generation, super-efficient buildings. The Series is also designed to provide firms with the skills that will set them apart in the marketplace.

REGISTRATION: The AIA+2030 Professionals Series will begin with the first session on April 13th of 2012, with sessions scheduled once a month into 2013, providing 40 AIA Continuing Education, HSW and Sustainable Design Credits. Six of the sessions will be provided in 2012 and the remaining four will be presented in 2013, allowing architects and design professionals to secure the required Continuing Education credits (AIA and USGBC) for licensure and membership for two years. All of the continuing education hours in this program have been ERB (Education Reviewing Body) approved for GBCI credentialing maintenance for LEED Accredited Professionals and Green Associates through the Nevada Chapter of the USGBC.

Registration Fees:

AIA Members (Architects/Associates/Allied)	\$600
Non-members	\$800
*Students	\$500
<i>*Those who have confirmed enrollment in an accredited Program at the time of registration</i>	

Payment Plans: There is a \$25 processing fee if you choose to use a payment plan.

- Register in February 2012 and make 2 installment payments:
1/2 in February 1/2 in March
- All Registrations must be paid in full by March 15, 2012
No refunds after that date.
